On September 12, 2023, the City of Vaughan Committee of the Whole (1) will consider and receive input from the public on a staff report that proposes to amend the City's Business Licensing, Noise, Parking and Fees and Charges by-Laws with respect to the following:

In the Business Licensing By-law:

- To amend fee-increase provisions to advise that fees, when increased, will be rounded up to the nearest dollar amount.
- To remove the requirement for hairdressers to submit a physician's certificate.
- To change the minimum age requirement for dog walkers to 18 years old.
- To correct the insurance required for Snowplow Contractors to \$2,000,000.
- To state that tow truck rate exemptions apply to all fees explicitly covered under agreements with other governmental entities.

In the Fees and Charges By-law:

- To update the Fees and Charges By-law to list pubs, separate the category "lounge" and "night club" that is currently listed as one category and delete the category "restaurant" (as it is already included under the category of "eating establishment").

In the Noise By-law:

- To update the Noise By-law's language to express that a person who allows or permits others to cause a noise prohibition, is also guilty of an infraction.
- To add a provision stated that applicants for a Construction Noise Exemption must obtain and submit all required City permits for their project.
- To modify the provision with respect to auditory signaling devices to include school bells.

In the Parking By-law:

- To clarify that no persons shall park a motor vehicle within three (3) metres of the point on the edge of the roadway nearest any fire hydrant.

In the Filming By-law:

- To amend the Filming By-law enforcement provisions to match that of the Licensing By-law.
