

City of Vaughan – Listing of Significant Heritage Structures (LSHS) – October 2005 & 2016

There are 247 properties identified in this document that have been evaluated as having significant architectural, historical and contextual value. City of Vaughan Council approved this listing in June 2005 and approved their inclusion in the City of Vaughan's *Register of Property of Cultural Heritage Value as per Part IV, Subsection 27 of the Ontario Heritage Act*. As a result, there may be concerns with regards to its demolition or redevelopment.

It is important to note that this is not a complete listing of the City's properties or inventory of buildings of "heritage" value. It should be noted that every effort has been made to ensure the information contained in this document is correct, and we apologize for errors. Finally, this listing may be updated or changed as required by staff and therefore, information should be verified by Vaughan's Cultural Heritage office. -October 2005
