SUMMARY TO BY-LAW 079-2022

The lands subject to this By-law are all lands where By-law 001-2021 is applicable as shown on the Location Map.

The purpose of this By-law is to make administrative amendments to comprehensive Zoning By-law 001-2021 to correct reference errors, specifically deleting inadvertent references to required bicycle space parking for existing multi-unit buildings. As a result, technical amendments to subsections 6.1.1.2, 6.1.1.3 and 6.5.3.1 clarify that bicycle space parking requirements only apply to new buildings or structures.
