Message from Mayor Del Duca

Vaughan is a vibrant city that offers programs and services that meet everyone's needs. Check out the City of Vaughan's 2024 Recreation eGuide to see how you can learn and grow! From ballroom dancing and painting classes to learning how to play an instrument and cooking lessons - there is something for residents of all ages and abilities to enjoy!

Families can learn to skate, play badminton or practice yoga together. If you have preschoolers at home, get them kindergarten-ready with Vaughan Playschool programs specializing in math and science - or they can learn a new language like French, Hebrew or Italian.

Elementary-aged children can learn the art of cursive writing, chess, hockey or how to be money-smart - it's never too early to plan for the future! Youth can study the importance of email etiquette, how to command attention through public speaking or learn to build their resume and hone their interview skills.

Zumba, cooking and Bollywood dance classes are available for adults, and our popular volleyball league is back this fall for those looking for a little friendly competition. This season, lace up your skates and hit the ice with our new hockey league.

For older adults, the City offers fitness, line dancing and pickleball classes to stay fit and energized, as well as a muscle conditioning program to support healthy aging.

There are also inclusion programs such as our Vaughan Enriched Day Program where individuals will learn age-appropriate activities like bocce, bowling, cooking and social games.

Explore this season's guide to discover all Vaughan has to offer this fall - the fun and the opportunities to learn, play and grow are endless.

Sincerely,

Steven Del Duca
Mayor

Declaration of Citizens' Rights & Responsibilities

Every citizen has a right to...

- Live, work, and play in a municipality that promotes community safety, health, and wellness, while safeguarding the natural environment.
- Live in a municipality in which all mandated services are delivered effectively and efficiently.
- Live in a municipality in which citizens receive value for their property tax dollar.
- Live in a municipality that plans and manages growth responsibly, including the building, maintenance, and renewal of appropriate infrastructure.
- Live in a municipality that attracts, retains and promotes productive and effective employees committed to their own ongoing professional training and growth.
- Live in a municipality that enhances the quality of life of its citizens by providing services beyond those mandated by law.
- Live in a municipality whose government communicates effectively with its citizens.

Every citizen has a responsibility to...

- Avoid behaviour that threatens the safety, health and wellness of fellow citizens or the integrity of the natural environment.
- Acknowledge that municipal services are finite, to be shared fairly with fellow citizens.
- Acknowledge that our security and well-being is built on the willingness of each of us to seek the common good.
- Acknowledge that the orderly growth of our city depends on proper planning, which requires citizen participation.
- Acknowledge that the financial stability of our city and the services we expect it to provide depend in part on the taxes we pay, and that as a consequence, new services and new infrastructure, must be affordable.
- Acknowledge that staff are professionals, and citizens as well; that they deserve to be treated as such; and that as skilled workers they are best retained by competitive salaries.
- Remember that communication is a mutual affair, and that voting is the most basic form of communication between citizens and their elected representatives.

December Break Camp Basics for Parents

Camps run December 23, 2024 to January 3, 2025.

Camps are not offered on the following statutory holidays: December 25, 26 & January 1.

This guide will help you and your child prepare for camp.

When registering in PerfectMind, ensure all personal information is up to date, including emergency contacts, adult(s) who are permitted to pick-up your child(ren) from camp site, medical history and dietary restrictions.

Pre-Camp Communication: Camp staff will contact parents/guardians if the personal information contained in your client profile is not up to date. This information will be verified at least once during the camp calendar year.

Safety is our top priority

If your child is sick, they must stay home and parents/guardians must inform the Camp Director.

Age requirements

- **Camps for Ages 4-6:**
Required to be 4 years old by start of camp – no age override allowed.
- **Camps for Ages 7+:**
Required to be 7 years old by end of year (December 31, 2023) – no age override needed.

Our programs are carefully designed to be age-appropriate, with your child's development, safety, and maturity in mind. Children must meet the minimum age required by the start of a program except for school break and summer camps, where children must be within the age range of the camp by December 31 of the year the camp is taken; for preschool camps with a minimum age of 4, children must be of age at the start of camp.

Age exemptions will only be considered in extenuating circumstances, and we are unable to consider requests that pose a risk to children's safety (e.g., aquatic programming).

To be considered for an age exemption or to discuss alternate programming options, speak to the Community Centre Lead at your local community centre or email rec@vaughan.ca.

Aquatic Camps: All campers must be of age at the start of any aquatic camp. Due to health and safety guidelines, the City of Vaughan swim admission policy, and the requirements set by the Lifesaving Society, there will be no age overrides for aquatic camps. Refer to our [Swimming Lessons: Frequently Asked Questions](#) or email swim@vaughan.ca for further inquiries.

Recreational swimming

Children in full-day camps located at a facility with a pool (refer to the list of [recreation facilities](#)), will participate in recreational swimming throughout the week.

Parent/guardian permission is required for campers to participate in camp recreational swimming. This can be indicated when completing the questionnaire upon registering.

Recreational swim times, supervised by qualified City of Vaughan lifeguards and camp staff, have been scheduled into camp programs.

Campers aged under 7 years will not participate in recreational swimming. Alternate programming will be provided.

For campers aged 7-9 years who do not pass the admission standard, we will attempt to place camper with a camp counsellor where resources allow. Should this not be possible, alternate programming will be provided.

Please review our [Pool Guidelines & Safety Standards](#) to clarify admission and supervision requirements for your camper.

For more information & "how-to" videos, refer to our [Registered Programs Frequently Asked Questions](#) webpage.

Camper group requests

Unless otherwise stated, campers are grouped according to chronological age, and/or skill level. Occasionally, circumstances arise whereby it may be desired to group a child together with their friends or family of a similar age in the same program.

Indicate your request when registering, we will attempt to accommodate to the best of our ability for no more than two campers of the same age. All parties involved must be aware and request when registering. These requests cannot be guaranteed.

Campers with disabilities

If your child has a disability or requires 1-on-1 support, please email inclusion@vaughan.ca.

Camp hours

Programming will run from 9 a.m. to 4 p.m. daily with flexible drop-off from 8:30 a.m. and 9 a.m. and pickup available between 4 p.m. and 4:30 p.m. Flex drop-off and pick-up is not available at the Vaughan Studios & Event Space or for any half day camp.

Pick-up procedures:

- Photo ID will be required at each pick-up.
- Self sign-out is allowed for campers 10 years of age or older with signed permission.
- Campers will be released to only those people listed on the PerfectMind client profile.

Remember to pick-up your child(ren) on time after their long (but fun!) day at camp. Repeated lateness will be subject to a late fee charge, and may result in removal from the program for the duration of the session with no refund.

In case of emergencies

Call Service Vaughan at 905.832.2281 and ask for the customer service desk at the community centre of your child's camp to contact the Camp Director during camp hours.

Camper lateness, absenteeism or changes to pick-up/drop-off

Leave a message for the Camp Director if your child is going to be late, absent or if there are any changes in your pick-up/drop-off routine immediately. We will follow-up with a phone call if a camper has not arrived by start time.

What to bring

We ask that your child brings only the recommended items to camp in an effort to keep personal items to a minimum.

Lost & found

Please inquire, at drop-off/pick-up, regarding any lost items. Lost items will be kept for one week following the end of camp.

Note: The City of Vaughan does not accept responsibility for items brought to camp, which are lost, stolen, or damaged. To avoid disappointment, campers are encouraged to leave these personal items or money at home.

Camper safety & security

Our camps aim to create an atmosphere where each camper feels safe and respects the rights of others.

Recreation staff will make every effort to integrate a participant into programming and accommodate their individual needs.

If a child demonstrates challenging/difficult behaviour, we will endeavor to provide the necessary assistance to minimize that behaviour using positive behaviour management strategies. If your child is involved in any incidents, parents will be notified immediately.

Through the City of Vaughan's Corporate health and safety policy and under Recreation Service's Safe Community Centres Policy, we reserve the right to remove and withdraw a participant from the program should their behaviour pose a potential risk of self-harm, or harm to other participants, staff, patrons or property.

Guidelines on food allergies

- Campers must not share food.
- Due to the number of life-threatening allergies to peanuts or nuts, all camps are an 'allergy aware' environment. Due to the public space of our buildings, we cannot guarantee the environment to be allergen-free.
- All parents share in a responsibility to read food labels and to not send products that contain/may contain traces of peanuts/nuts, or that do not carry a complete list of ingredients (i.e. bulk food, from on-site bakeries, etc.)

Where there is a life-threatening allergy to nuts or other allergens (confirmed by a family physician), parents will be notified by letter, and requested to avoid sending the identified food.

- Campers with items known to cause life-threatening reactions, will be moved to a private area to eat their food. Staff will instruct campers on proper hand washing techniques for before and after meals.

Medical information & medication

Ensure all medical information is up to date on your PerfectMind client profile. Learn more about viewing and uploading documents to your customer profile on our [Registration FAQs](#) webpage.

Campers requiring medication at camp must affix a recent photo to a signed [Medication Dispensing Form](#). Medication must be stored in original containers only and will be kept in the camp office. Please note that camp staff can assist campers with dispensing medication, however staff cannot administer medication.

Note: Recreation Services staff are not responsible for lost or damaged medications left in the campers' care.

Life-threatening allergies

Campers with a life-threatening allergy are required to complete the [Anaphylaxis Emergency Plan](#) early to ensure the camp site is well prepared for the camper's needs.

When complete, upload to your PerfectMind Client profile, under the documents section.

Inclusion Support

Recreation Services encourages and supports the participation of individuals with disabilities in diverse recreational opportunities, at a level of participation suitable to their ability and program of choice.

If an individual requires support to participate in a program, a caregiver/guardian can accompany the individual into a program free of charge.

To determine the eligibility criteria for a Support Person Access, you must provide supporting documentation and complete an assessment with the Recreation Supervisor, Inclusion and Support Services at 905.832.2377 ext. 7405 or email inclusion@vaughan.ca.

Need an Inclusion Counsellor?

Your child will require 1:1 support to participate in all recreational programs if he/she:

- requires additional support at school, home or in the community with basic needs such as dressing, personal care or feeding;
- has a tendency to exhibit aggressive behaviours;
- does not understand danger;
- has a disability that affects his/her communication, mobility, comprehension and/or socialization.

If your child requires 1:1 support, arrangements can be made to hire an **Inclusion Counsellor** (an experienced 1:1 worker) on your behalf. Inclusion staff receive specialized training and are certified in:

- Standard First Aid & CPR-C
- High Five Quality Assurance
- Safe Management – Non-violent Crisis Prevention Certification

Note: It is the responsibility of the parent/guardian to cover the cost of the Inclusion Counsellor.

Need a Volunteer?

Volunteer support is offered to an inclusion program participant that:

- is diagnosed with a disability;
- requires some support, may have difficulties with completing tasks, following directions and/or social skills.

Note:

- Demand for volunteers often exceeds supply and cannot be guaranteed.
- Volunteers may be working with individuals with disabilities for the first time.
- They do not assist with personal care, administering medication, lifts and transfers, or with children with behavioural challenges.

For health and safety reasons, if a volunteer is not available or suitable for a participant's needs, parents/caregivers will be required either to provide their own support worker or hire an Inclusion Counsellor through the Department.

Need your own support worker?

It is in the best interest of the child to have a support worker who:

- has had previous and successful experience working with children and, preferably with your child;
- has a good understanding of your child's needs; and an ability to interact with him/her successfully;
- will participate and blend easily into a recreational setting.

1:1 support experience could include any of the following:

- mediation experience (supplied by family, agency, association, organization, etc.);
- babysitting experience;
- a family member or friend (if suitable, close to the age of staff/instructors) who can participate in all recreational activities.

Note: All own support workers must provide a Vulnerable Sector Check and sign a release of liability.

Inclusion Support & Resources

Support Person Access

- An identified “support person” who accompanies a person with a disability in a program shall enter the program at no cost/fee.
- The support person shall assist/support the person with a disability in the program at all times, and shall be within arms length from the individual with a disability.
- Eligible individuals must obtain approval in advance in an effort to facilitate easy access/entry to recreation programs and services.
- A fee is applicable should the support person be participating in a program not in the capacity or acting in the role of a “support person.”

To be eligible for a support person access, contact the Recreation Supervisor, Inclusion and Support Services at 905.832.2377 ext. 7405 or email inclusion@vaughan.ca.
