

# Watermain, road, streetlight and active transportation improvements

SEPTEMBER 2024 | NEWSLETTER #3

---

Dear resident/business owner,

The City of Vaughan is undertaking important municipal infrastructure improvements in the Thornhill area on Atkinson Avenue, from Bathurst Street to Centre Street, and on Centre Street, from Bathurst Street to Atkinson Avenue.

## Work includes:

- watermain replacement and improvements
- road rehabilitation
- upgrading existing streetlights
- intersection improvements aligning with the *Accessibility for Ontarians with Disabilities Act*
- sidewalk enhancements
- new in-boulevard cycle tracks

## Project details

The scope of work for this project includes replacing and improving the aging watermain system, to enhance water supply reliability and quality, and prevent future watermain breaks. Road surfaces will be upgraded to improve safety, convenience and overall longevity. Intersections, active transportation and streetlights will also be upgraded to improve pedestrian safety and accessibility.

## Construction timelines

Construction will begin in October 2024 with an anticipated completion in November 2025.

# Construction impacts

The roads will remain open to vehicles and pedestrians during construction. Temporary lane restrictions will be necessary to allow construction activities to proceed in a safe and efficient manner.

Access to private and commercial driveways/entrances will be periodically impacted by the work, with a focus on minimizing disruptions. Access to commercial entrances **will not be blocked during business hours**.

**Proposed Road Reconstruction,  
Watermain Replacement, & Cycling Facility  
on Atkinson Ave. & Centre St.**
