

## Sanitary sewer improvements

NOVEMBER 2024 | NEWSLETTER #1

Dear business owner,

The City of Vaughan is preparing for essential work to the municipal sanitary sewer system along Maplecrete Road, from Highway 7 to Doughton Road, and along Doughton Road, from Jane Street to Maplecrete Road.

This project includes upgrading and replacing the aging sanitary sewer infrastructure in the area, which is nearing the end of its service life. These improvements support the City's commitment to providing reliable infrastructure, sustaining safe services and supporting growth in the Vaughan Metropolitan Centre.

The project is anticipated to begin by winter 2025.

A follow-up notice will be issued closer to the start of construction, providing specific start and end dates and anticipated temporary traffic restrictions and road closures.

Project details and timelines will continue to be posted at [vaughan.ca/InfrastructureProjects](https://vaughan.ca/InfrastructureProjects).
