**A Guide To Vaughan's Planning Process**

## THAT BUILDING DIDN'T JUST GET THERE...

The City of Vaughan's communities are constantly growing and changing. In fact, Vaughan is one of the fastest growing cities in Canada with a population of more than 344,000! To ensure Vaughan continues to be a great place to live, work and play, our city must grow in ways that are smart and any change must meet the needs and values of current and future residents and businesses. This is why all developments undergo a careful review by City staff, Council, public agencies, including the Toronto and Region Conservation Authority, York Region and provincial ministries where appropriate, and why the City asks for feedback from residents, landowners and stakeholders before the shovels hit the ground. For more information about land-use planning, the processes and how to get involved, visit [vaughan.ca/PlanningProcess](http://vaughan.ca/PlanningProcess).

## WHAT IS A DEVELOPMENT APPLICATION?

**Development** is a broad term referring to any activity that results in a change of land use, construction of a new building(s) or the creation of a parcel(s) of land. **Development applications** are proposals put forward by a landowner that must be carefully considered and reviewed to ensure they are consistent with provincial, regional and city plans and policies. There are six types of development applications reviewed by City staff and Vaughan Council, which are governed by the *Planning Act*.

- Official Plan Amendments (OPAs)
- Zoning By-law Amendments (ZBAs)
- Draft Plan of Subdivisions
- Site Development Applications
- Draft Plan of Condominiums
- Part-lot Control Exemptions

In some cases, the landowner may submit one or more of these applications at the same time for consideration by the City. More about these applications can be found at [vaughan.ca/PlanningProcess](http://vaughan.ca/PlanningProcess).

## HOW WE PLAN

**Provincial and regional plans and policies:** The Province of Ontario regulates land use through plans and policies, including the Growth Plan and Provincial Policy Statement, which establish the vision for communities in Ontario and set targets for the number of new residents and jobs York Region must accommodate by 2051. Based on these targets, the York Region Official Plan sets the vision and plan for where and how this growth and development will be accommodated within each of its nine municipalities, including the city of Vaughan. All Council decisions regarding a planning application must conform to and be consistent with Provincial plans and policy.

**Vaughan's Official Plan:** Vaughan's Official Plan serves as Council's roadmap for growth and land use within the city and must conform with the Province and York Region's policies and plans. It establishes the City's long-term vision and values, which is stated through goals and policies that help guide decision-making on land development, economic growth, urban design, the environment and more. Ultimately, the Official Plan guides where different types of development should be located.

**Secondary Plans:** Secondary Plans build on the City's Official Plan by providing policy guidance and direction for smaller and focused geographic areas. In some cases, they can also provide more prescriptive policies to reflect the uniqueness of the area they cover. A Secondary Plan defines all the elements needed for successful development, including new roads and active transportation routes, open spaces and parks, policies to establish land uses and key infrastructure requirements.

**Zoning By-laws:** A Zoning By-law is a more detailed planning tool used to implement the Official Plan policies in order to regulate how land is used. They provide specific standards for how development and construction can occur on a property. A Zoning By-law ensures that what is built meets the vision of the Official Plan and any land use plans. Learn more about Zoning By-laws at [vaughan.ca/zoning](http://vaughan.ca/zoning).

## HOW DEVELOPMENT DECISIONS ARE MADE

**Before the shovels hit the ground, development proposals must go through the following four-step review and decision-making process:**

**1. Pre-application:** In advance of submitting an application, the landowner must consult with the City's Development Planning department. They may also meet with the local Councillor, residents, ratepayer's associations and other interested community members to share and discuss the plan they want to put forward. Once the application has been submitted to the City, a sign is posted on the site to let the community know what is being proposed.

**2. Public meeting:** It's vital that Council hears from the community to inform their decision-making. Interested community members are invited to provide input to Council at a Committee of the Whole Public Meeting. A written notice is sent a minimum of 20 days before the public meeting to all residents, landowners and stakeholders within 150 metres (sometimes more) of the site in question. At the public meeting, the landowner will present their plans, Councillors may comment or ask questions and members of the public may share their feedback in writing or verbally if they have pre-registered to speak at the meeting. The purpose of this meeting is to **inform** Council and the community – **no decision is made at this time**. Public meetings are not held for site plan applications, draft plan of subdivision applications or draft plan of condominium applications. More information about speaking live during a public meeting can be found at [vaughan.ca/HaveYourSay](http://vaughan.ca/HaveYourSay).

**3. Review of the application:** Following the public meeting, City staff review the application, including supporting materials and all comments made at the meeting or submitted in writing. Applications may also be reviewed by external parties including York Region, neighbouring municipalities, the Toronto and Region Conservation Area and the Province, depending on the nature of the application. The landowner may be required to provide additional information if necessary. Once all issues have been resolved to the satisfaction of City staff, a comprehensive report is prepared for Council to review at a Committee of the Whole meeting.

**If outstanding issues are not resolved, staff can recommend refusal of the application.**

**4. Council makes a decision:** After receiving the report, Vaughan Council may discuss the merits at a Committee of the Whole meeting. Interested community members have an opportunity to share their thoughts with Council, live, during this meeting, or, they can submit a written response to provide their feedback on the application. At the Committee of the Whole meeting, a recommendation on the application will be made and forwarded to Council for final approval. At the following Council meeting, Vaughan Council will ratify the decision to approve, modify or refuse the application.

**This is when the decision is ratified by Council.**

### **What if I don't agree with Council's decision?**

Those who spoke on the public record and those who made written submissions to Council can appeal Council's decision regarding Official Plan amendments or Zoning By-law amendments to the Ontario Land Tribunal (OLT) within 20 days of receiving the formal notice of decision. Third parties are not permitted to appeal decisions made on site development applications. Only certain third parties, such as public bodies and utility companies, are permitted to appeal decisions made on plans of subdivision and condominiums in limited circumstances; however, this does not apply to residents.

## **HOW YOU CAN GET INVOLVED**

Vaughan Council is committed to ensuring a fulsome and transparent public consultation process while safeguarding the health and safety of everyone in Vaughan. As part of the City of Vaughan's commitment to open and accessible government, Council encourages residents to get involved in the decision-making process.

**Here are four ways to get involved and share thoughts about a land development application in your community:**

**1. Learn more about the application:** Review the public notice and learn more about the development application on PLANit, the City's development application tracking platform, which can be found at [vaughan.ca/maps](http://vaughan.ca/maps). Additional information on development applications and the planning process can be found at [vaughan.ca/PlanningProcess](http://vaughan.ca/PlanningProcess).

**2. Speaking to Council during a Committee of the Whole Meeting:** Residents can participate in meetings and have their say by:
