

Keeping You Moving – the Kirby Road Extension

DECEMBER 2024 | NEWSLETTER #4

Dear resident/business owner,

The City of Vaughan is extending Kirby Road, between Dufferin Street and Bathurst Street, to improve transportation and mobility, reduce gridlock, accommodate our growing population and help you travel seamlessly throughout the community.

Project update

The project is well underway with construction slated to begin in December 2024 with site clearing and tree removal.

To mitigate environmental impacts, the City is collaborating with the Toronto and Region Conservation Authority (TRCA) and the Ministry of the Environment, Conservation and Parks to plant approximately 900 trees along the extension route and 21,000 more in Vaughan's Nashville Conservation Reserve.

For more information about the project, visit vaughan.ca/KirbyExtension.
