SUMMARY TO BY-LAW 085-2025

The lands subject to this By-law are located west of Huntington Road, north of King-Vaughan Road, municipally known as 12280 Huntington Road, being Lot 12A(2) on Registered Plan M89, in Lot 1, Concession 10, City of Vaughan.

The purpose of this by-law is to remove the Holding Symbol “(H)” from the subject lands, which are zoned “RR(H) Rural Residential Zone” with the Holding Symbol “(H)”, subject to Exception 9(237), to facilitate the development of one (1) single detached lot. The subject lands were originally zoned with the Holding Symbol “(H)” by Zoning By-law 104-2015, until such time that the following conditions in Paragraph “A” to Exception 9(237) were satisfied:

- a. The Owner shall successfully obtain approval of a Site Development Application from Vaughan Council for development on the proposed Lot 12A(2) and the Owner shall submit a noise report, functional servicing report for the septic system, and a restoration/tree planting plan, which includes the replacement of one tree for each protected tree that is removed to facilitate development, and any other required studies through the Site Plan Application; and,
- b. The Owner shall successfully obtain approval of a Consent Application to facilitate the severance of the subject lands into two (2) parcels from the Vaughan Committee of Adjustment and the Committee’s decision shall be final and binding and the Owner shall satisfy any conditions of the Committee.

Section 41(1.2) of the *Planning Act* states that the definition of “development” in subsection (1) does not include the construction, erection or placing of a building or structure for residential purposes on a parcel of land if that parcel of land will contain no more than 10 residential units. As such, the condition for a Site Plan Application for the subject lands is no longer supported by the *Planning Act*. Therefore, the removal of the Holding Symbol “(H)” is appropriate.

Vaughan’s Development and Parks Planning Department, Development Engineering Department, and Parks, Forestry and Horticulture Operations have reviewed the required studies listed in Exception 9(237) and have confirmed no objection to the removal of the Holding Symbol “(H)”.

The Owner has obtained approval of Consent Application File B025/25 from the Vaughan Committee of Adjustment and the Committee’s decision was final and binding, to facilitate the creation of 12280 Huntington Road. The Owner satisfied all conditions of the Committee on September 10th, 2015. Therefore, the Holding Symbol “(H)” can be removed.
