

City of Vaughan's Dewatering Discharge Approvals

FEBRUARY 2025

Update to Dewatering Discharge Approval process

Effective immediately, the City of Vaughan's Dewatering Discharge Approval permit process will be overseen by the City's Development Engineering Department. The process was previously administered by the Environmental Services Department.

The permit application process and approval guidelines have not been impacted. Information can be found online at vaughan.ca/DewateringDischargeApproval.

If you have any questions, please email dischargeapprovals@vaughan.ca.
